**1. PROGRAMME OVERVIEW**

Chhattisgarh Inclusive Rural and Accelerated Agriculture Growth (CHIRAAG) project is a World Bank-supported transformative project of the Department of Agriculture Development, Farmer Welfare and Biotechnology (DoAB), Government of Chhattisgarh (GoCG). This ambitious project is premised on the development and optimum utilization of local natural resources and is well-aligned to *Narwa* (water conservation), *Garuwa* (livestock management), *Ghuruwa* (composting and soil health) and *Badi* (homestead garden) i.e., NGGB program of GoCG. The NGGB policy centres on principles of resource conservation approaches and Integrated Farming Systems (IFS) that have been promoted globally for sustainable development and offer opportunities for year-round production of nutritive food for local consumption and markets.

The project development objective (PDO) is to improve income opportunities and the availability of nutritious foods in targeted households of Chhattisgarh's tribal-dominated areas. It will contribute to the State's agricultural competitiveness in terms of increased production, productivity, with an enhanced focus on water management, livestock development, farm waste management, post-harvest management, storage, value addition, marketability as well as enterprise development for the creation of off-farm employment opportunities. The project will mobilize village communities into 'livelihood groups' (LG), strengthen existing *Gauthans* by promoting Gauthan Committees (GC), CHIRAAG Resource Centers (CRC), promote farmer producer organizations (FPO) and support these community institutions to access markets for accelerated and inclusive rural transformation. The project has 6 components:

1. Community Empowerment and Institutional Strengthening
2. Diversified, Resilient and Nutrition-Supportive Food and Agriculture Systems
3. Value Addition and Market Access
4. COVID-19 Economic Recovery Response
5. Project Management, Monitoring and Knowledge
6. Contingent Emergency Response Component
